

Mike Sullivan is our meat cutter. He has been cutting meat since 1970. Mike was trained at the "old IGA" when he worked for Ken Smith. Ken Smith later sold the business to Barrett Bryant. Mike and his brother Larry had the opportunity to purchase the business in 1979. They have both been in the grocery business since 1979. Give us a call before noon for any special cuts of meat, Mike will have them ready that afternoon. We appreciate your business!! Stop by to see us soon!
